Useful recommendations:

It is also recommended not to leave valuable objects such as laptops, mobile phones, cameras or similar in the car. For a low price the guests can rent a deposit box by the information office, if they don't have one already in the apartment.

We kindly invite our guests and visitors to bring any found item to the information office, as soon as possible.

The guests should always wear the camping bracelet with them. It is needed for the recognition of a person as the guest of the campsite and it enables the reception, and pay desk offices to access the data regarding each particular guest.

For any question or eventually need the guests are asked to contact the reception office.

**BOTH THE MANAGEMENT AND THE CAMPSITE PERSONNEL WISH YOU A PLEASANT HOLIDAY!**
